

GSHS Heritage Music Festival 2025: A Celebration to Remember!

What an unforgettable weekend it was at the Groote Schuur High School Heritage Music Festival 2025! The sun was shining, the atmosphere electric, and the line-up nothing short of spectacular.

From the powerful performances by Groote Schuur High School, Outeniqua High School, Wynberg Girls' High School, and South Peninsula High School, to the soulful traditional music and dance of Khanya Culture, the energy never stopped. The crowd was on their feet all afternoon, celebrating the spirit of heritage through music and unity.

Families enjoyed every moment — the kiddies' play area kept our youngest guests entertained, while a wide range of food trucks served up delicious local flavours to keep everyone fuelled for the fun.

The stage then came alive with a star-studded line-up:

- Hunter Rose, past pupil and former Head Girl, left the audience in awe with her breathtaking vocals.
- The GSHS Alumni Band delivered an incredible performance that reminded us how our school's musical legacy continues to shine beyond our walls.
- And to top it all off, Jimmy Nevis brought pure Cape Town magic, with everyone singing and dancing along to the hits that made him one of South Africa's favourites.

Guiding the day with his trademark warmth and energy, Aden Thomas kept the festival flowing seamlessly — a true master of ceremonies!

A heartfelt thank you goes out to every performer, guest, volunteer, and supporter who made this event such a success. Together, we celebrated heritage, music, and community — the heart of Groote Schuur High School.

Keep your eyes on this space — Heritage Music Festival 2026 promises to be even bigger and better! 🎵 ✨
